

CALL FOR PAPERS

DUE DATE: 30 MARCH 2018

Organised by  edana

FILTRE ASIA

The Premier Filtration Conference in Asia

4th – 5th December 2018
Shanghai | China

A two-day conference covering markets, products, and technology for the filtration industry in Asia.

This event is held in conjunction with:

- the 7th Filtration & Separation Asia (FSA)
- the 10th China Filtration & Separation Exhibition

EDANA invites papers on:

- Innovative filter media technologies
- Filtration equipment and devices
- Air filtration and Liquid filtration
- Automotive filtration (oil, fuel, engine, cabin)
- Filter testing and standards

HOW TO APPLY?

Please send your abstract in English to Giovanna.merola@edana.org or in Chinese to yaogb1941@sina.com. It should include a proposed title, 3-4 bullet points summarising the presentation, and the full contact details of the speaker.
